

WHAT ARE THE ARRANGEMENTS FOR THE ADMISSION OF DISABLED PUPILS?

Kings Norton Girls' School will consider applications from parents of young people who have Special Educational Needs. Such young people are considered as part of our standard admissions procedures. The school cannot refuse to admit a young person because of a disability.

Any child with an Education Health Care Plan (EHCP) is required to be admitted to the school that is named in the plan. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.
