

The logo features the word "STUDENT" in a large, bold, black, sans-serif font. Below it, the word "VOICE" is written in a smaller, black, sans-serif font, centered under "STUDENT". A red circle is drawn around the text, with horizontal lines extending from the left and right sides of the circle, passing through the word "VOICE".

STUDENT — VOICE —

House day is an annual event held at KNGS. In previous years, the approach to the day has been more to do with *The Apprentice*. However, this year's focus has been dedicated towards team building skills, while also touching on self-defence and gardening.

On Kings Norton Girls' School's House Day, one of the most enjoyed activities was the self-defence: it was "very interactive" and according to the teachers, "it was an excellent idea". However, next time the students would like to have more chances to try new moves. Overall it was a great success and we would love to learn more.

Moreover, another activity this year was a half an hour power point on managing finance. One student exclaimed "it was very interesting" however, suggested it could be "more interactive". There were meant to be guest speakers however they were unable to attend.

One of the activities was gardening. As this was introduced as a new activity this year there were many mixed opinions. For example, one student said that "it was interesting but there could have been more materials". However, some students felt that it did not fit the theme of the year.

The final activity of the day was team building; you and your form took part in a series of events – such as races, team building exercises and communication activities - against the other forms in the house. One student suggested that "it could have been more organised" whereas another exclaimed that it was

“lovely to interact with other girls in my form”. Overall, there was a positive response from the students as they thought it was exciting and enjoyable, some even suggested “it should have been longer so we could participate in even more activities”.
