KNGS Summer 2019 Timetable ............................................................................................................. 9
WRITTEN TIMETABLED EXAMS
You will receive your examination timetable in Spring of 2019; you must ensure you triple check your timetables to ensure all of the exams you are expecting to have are clearly identified on your timetable. Any queries see the Examinations Officer as soon as possible.

A second, confirmed timetable will be released after; this will have all of your exams including where you will sit your exam and what seat.

Your timetable also has important information on such as your exam number/candidate number. MEMORISE THIS! You will need this 4 digit number for every external exam you sit.

CONTINGENCY DAY - SUMMER 2019
The awarding bodies have created a ‘contingency day’ for examinations, this is on Wednesday 26th June 2019.

The ‘contingency day’ is in the event of a national or local disruption to examinations. It is part of the awarding bodies’ standard contingency planning for examinations.

You are reminded that you must be available on Wednesday 26th June 2019 should an awarding body need to invoke its contingency plan.

WHAT TO DO IF YOU IDENTIFY YOU HAVE TWO OR MORE EXAM PAPERS TIMETABLED AT THE SAME TIME (A TIMETABLE CLASH)
If you have been scheduled 2 or more examinations at the same time, do not panic! This is common and is easily resolved. Please see the Examinations Officer if you notice a clash.

This does not include GCSE Languages Listening and Reading exams, these may be timetable at the same time but you will sit one after the other.

If the total duration of the clashed exams is 3 hours or less you will sit both exams in the same sessions e.g. in the morning or in the afternoon. You are entitled to a 20 minute break in between these exams, you are unable to revise during this time but you are free to have a snack, drink or visit the toilet. During this break you will be supervised, this means an invigilator will be with you at all times.

If the total duration of the clashed exams is over 3 hours you will sit one exam in the morning session and one in the afternoon session. The time in between your exams you will be allowed to revise, drink, eat and visit the toilet, but you will remain under supervision (as above.)

WHERE YOU WILL TAKE YOUR EXAMS
The majority of your exams will take place in the main hall, a handful of exams will take place in classrooms around the school, and for example your language listening and reading exams will take place in a classroom.

WHAT TIME YOUR EXAMS WILL START AND FINISH
Your exams will start at the following times:
8:45am (AM session)
1:30pm (PM session)
You will meet in the drama studio before your official starting time, ready and prepared for your exam. You should have the correct equipment with you and all unauthorised materials left in your locker e.g. mobile phone. Please ensure you have visited the toilet before you enter your exam room.
Exam finish times will vary depending on how long your exam is. If there are several exams in one room, you must wait in silence while your paper is being collected and leave the room in silence. There may be other students still sitting their exam and they deserve the same conditions you had.

SUPERVISION DURING YOUR EXAMS
During your exams you will be supervised by a trained team of invigilators. You may recognise some invigilators from your mock exams; they are members of staff and should be treated with respect at all times. They are there to ensure that you are all under the same exam conditions from the moment you step into the exam room, until you leave. They are there to answer any questions or issues you may have, but they cannot answer any questions relating to the exam. Invigilators follow strict guidelines set out by JCQ and the awarding bodies; you are expected to follow them too.

EXAM ROOM CONDITIONS
You will be escorted from the drama studio to the hall, in silence. Your equipment will be spot checked as you walk towards the hall. If you are sitting in a small room you will walk through the hall to your small room.

From the moment you enter the exam room you are under formal exam conditions, this means you should be in silence and you must listen and follow to the instructions that you are told during your exam. You will remain under these conditions until you leave the exam room, meaning you should walk from your exam desk and out the room in silence. You must not communicate with any other candidates. If you require help you must raise your hand and wait for an invigilator.

You should notice the JCQ warning posters on the doors of your exam room, these are for you. The regulations outlined on these posters should be followed e.g. no unauthorised materials in the exam room such as phones, smart watches, iPods etc. On the board you will find the following information: Date, Centre Number, Subject and Code, Start Time and Finish Time. Any additional information needed for your exam will be written on the front of your exam.

It is your responsibility to ensure the paper placed on your desk is the correct board, subject, code and tier. Always check you have been given the correct paper.

WHERE YOU WILL SIT IN THE EXAM ROOM
You will sit in the seat stated on your timetable exam. If you have forgotten which seat you should be sitting in, please refer to the exam notice board before your exam. You should already know where you are sitting before you go into your exam room. The invigilators will have a seating plan if you forget. All students must face the same direction and be 1.25m apart from each other.

WHAT EQUIPMENT YOU NEED TO BRING TO YOUR EXAMS
It is your responsibility to bring the following items for all of your exams, they should be in a clear plastic pencil case/bag:

- BLACK pens
- Pencil
- Rubber
- Ruler
- Protractor
- Compass
- Highlighter (if you like to highlight the question, this cannot be used in the answer)
- Calculator

**The candidate is responsible for the following:**

- the calculator’s power supply;
- the calculator’s working condition;
- clearing anything stored in the calculator.

### WHAT YOU SHOULD NOT BRING INTO THE EXAM ROOM

JCQ refer to materials that are prohibited in exams as “unauthorised materials” these include: mobile phones, mp3 players and similar devices, notes, books, smart watches and similar devices.

All of the above should not be brought into the exam room, even if you do not intend to use them but they are found on your possession you may face a penalty, if escalated you could be disqualified from the exam.

Wrist watches are allowed but must be placed on your exam desk.

### FOOD AND DRINK IN EXAM ROOMS

Water is allowed in the exam room, in a clear plastic bottle with all labels removed. No other drinks are permitted. Food is not allowed to be brought into the exam room.

Any medical conditions that may require food or drink to treat a symptom should be made aware to the Exams Officer before your first exam and a medical note should be provided.

### WHAT YOU SHOULD WEAR FOR YOUR EXAMS

School uniform should be worn for all exams up until Friday 24\textsuperscript{th} May 2019, after this Year 11 students may wear their own clothes. Please ensure your clothing is suitable for the weather and comfortable.

During external examinations, sixth formers are permitted to wear their own casual clothes.

### WHERE YOUR PERSONAL BELONGINGS WILL BE STORED DURING YOUR EXAM

All of your personal belongings: bags, coats and mobile phones should be locked away in your school locker before all of your exams. The only equipment allowed into the exam room is your stationary and water bottles.

Sixth formers are permitted to bring bags and coats into the exam room (to be kept at the front of the room) with their mobile phones switched off before you enter the room. Lanyards must be worn around school and therefore will be placed on the floor by your desk when you are seated.
WHAT TO DO IF YOU ARRIVE LATE FOR AN EXAM
If you are running late, you must speak to the school office and/or examinations officer before 8:30am or 1:00pm on 0121 675 1305.

It is good practice to start your school journey a little earlier during your exams, just to be safe. This could be leaving home 10 minutes earlier or getting the earlier bus to school. Being on time and prepared for your exam is an easy way to ensure you are as calm as possible for your exam.

If you do not arrive before a certain time you will be allowed to sit your exam but we will have to inform the exam board and they may decide to reject your paper and therefore a mark of 0 will be awarded.

WHAT TO DO IF YOU ARE UNWELL ON THE DAY OF AN EXAM
If you are feeling unwell on the day of your exam but are able to attend please let the Exams Officer aware of how you are feeling before your exam. We may be able to put something in place to make you feel more comfortable for your exam. Invigilators will be made aware that you are not feeling 100% and will keep an eye on you during your exam.

If you are unwell on the day of your exam and cannot attend you or a parent/carer needs to make the school aware of your absence before 8:30am. This should be a worst case scenario and only occur in extreme illnesses.

If you start to feel unwell in your exam you need to alert an invigilator, if you do not tell us we will not know! Depending on how you are feeling we may be able to help make you feel more comfortable for example with a drink, a seat closer to the toilet, a seat closer to a window or a short break.

For genuine illnesses we can submit a special consideration application to the awarding bodies. This can sometimes result in a percentage of marks being awarded to remove the disadvantage, or for students who did not attend, an estimated mark awarded to them. Such an application can only be submitted with a doctor’s note from the day of the exam, stating the symptoms and illness. For more information please speak to the Exams Officer.

WHAT HAPPENS IN THE EVENT OF AN EMERGENCY IN THE EXAM ROOM
An emergency could occur during your exam, for example a fire alarm or a lock down. If an emergency does occur you will need to follow the invigilators instructions and remain calm.

You will be asked to:

- Stop writing immediately
- Leave all equipment, stationary and belongings
- Follow the invigilator out of the exam room in silence
- Vacate the building, aiming towards the schools lower field
- Do not join your tutor groups, assemble by the oak trees.
- Stay silent and in line until instructed otherwise.

ALLEGED, SUSPECTED OR ACTUAL INCIDENTS OF MALPRACTICE
Malpractice is considered anything from cheating, bringing unauthorised material into the exam room, disruptive behaviour, plagiarism of work, allowing others to cheat from you etc. JCQ do not take malpractice lightly and therefore the penalties range from written warnings to complete disqualification of all your examinations.

If you are suspected of malpractice we are obliged to inform the awarding bodies. If you suspect another student or member of staff of malpractice you should make the Exams Officer award as soon as possible.
RESULTS
GCSE results will be issued to students on Thursday 22nd August 2019 from 8:30am onwards. A Level results will be issued to students on Thursday 15th August 2019. You will receive your provisional statement of results and documents referring to Post Results. Senior members of staff will be available on this day and the Exams Officer will be available to answer any queries you may have from your results.

If you are unable to collect your results, you have 3 options:

1. Proved an addressed, stamped envelope for your results to be posted (must be given to the Exams Officer before the last day of the summer term.)
2. Complete a “Results Collection Form” (can be found in the Exams Office or on the school website) and return to the Exams Officer. Allows a trusted friend/family member to collect your results.
3. Email the Exams Officer on results day (must be from your school email address) and received a PDF copy of results after 11am.

Results that are uncollected will not be automatically posted or emailed – this will only happen on request.

POST-RESULTS SERVICES
Post results are services that are available to you after your provisional results are issued. Requests for any post result services must be made through the Exams Officer and not individually. There will be a brief overview of these services and an application form in your results pack. Services are your way of querying the results you have been awarded, it is your decision and therefore we require your permission before any application can be made.

The services available:

- Clerical Recheck
- Review of Marks
- Review of Moderation
- Access to Script

The Exams Officer and other senior members of staff will be available on results day to answer any queries you have regarding post results.

There are deadlines for post results which will be made clear in your pack, this are made by the exam boards and therefore cannot be extended. Post result services are not free and each board charge for services at different costs, this will also be made clear in your results pack.

If you query a result you must be aware that marks/grades can go down as well as up, they are not secure.

CERTIFICATES
Certificates arrive in school from October onwards. They will be collated and presented to you on your Certificate Presentation Day (end of November for Y11’s and end of December for Y13’s). This is an event which invites family and friends to watch you receive your certificates and a small celebration of your achievements. If you are unable to attend the presentation, certificates can be collected after the date of your presentation. We do not post certificates home. Any unclaimed certificates will be confidentially destroyed after 12 months.

Information for candidates
Using social media and examinations/assessments

This document has been written to help you stay within examination regulations. Please read it carefully.

We all like to share our experiences when taking examinations. However, it is important to consider what you say and to think about what information is being shared.

Sharing ideas with others online could be helpful when you’re studying or revising. However, there are limits to the amount of information you can share and you need to be careful not to break the rules. We’d like to ask you to act responsibly when discussing online. If you’re in doubt about what you can and can’t discuss online regarding your exams, it’s always best to check with your teacher.

If you receive what is or what looks to be assessment related information through social media, or any other means, you must tell your teacher or another member of staff. You must show them what you have received. They will then report the matter to the awarding body and it will be investigated.

Where candidates breach the rules for examinations, controlled assessments, coursework or non-examination assessments, awarding bodies have an obligation to investigate and may apply penalties.

You should be aware that the following might constitute malpractice:

- copying or allowing work to be copied – i.e. posting written work on social networking sites prior to an examination/assessment;
- collusion: working collaboratively with other candidates beyond what is permitted;
- allowing others to help produce your work or helping others with theirs;
- being in possession of confidential assessment related information in advance of the examination;
- exchanging, obtaining, receiving or passing on assessment related information by any means of communication (even if just attempting to);
- failing to report to your centre assessment related information being shared online; or
- passing on rumours of exam content.

Penalties that awarding bodies apply include:

- a written warning;
- the loss of marks for a section, component or unit;
- disqualification from a unit, all units or qualifications; or
- a ban from taking assessments or exams for a set period of time.
