

How to use practice questions

Where from?

- Text book
- Exercise books
- Old assessments
- Exam papers

How to use them?

- Annotate key words or phrases; what do you know about them?
- Bullet point what the question wants you to actually do
- Link each question to the topic it comes from
- Answer question using notes
- Answer question using notes but timed
- Mark your answers according to the mark scheme; is there a theme to what you are not doing?
- Planning essays for questions
- Evaluate model answers; what have they included? What have they not?

Essay subjects

- Take themed questions
- Write a mini plan for each theme
- Practice learning the plan with relevant quotes / ideas
