

Dear Parents & Carers of Year 10 students and students

Following the government announcement at the weekend Year 10 and 12 students will not be returning to school until at least the 15th June.

The information that was emailed to you last week remains the same with the exception that students should not attend school on the first date stated.

Work should still be accessed by students as before half term and more detail about work for the two weeks after half term will follow next week.

Best wishes

Nicola Raggett - Headteacher
