

26<sup>th</sup> June 2020

Dear parents and carers

**Re: Update on school governance**

Unfortunately, I need to inform you that David Green has stepped down from his position as Co-Chair of Governors. It was always David's intention to step down in July 2020 however, he has made the decision to do so earlier.

David has been a governor at Kings Norton Girls' School since 2011. David has sat on all of our committees and has provided a vital role in carrying out the duties of a link governor to our faculties. David has held the position of Chair of our Standards and Curriculum Committee and has been our Chair of Governors since 2014. In order to provide a smooth transition from one Chair of Governors to the next, David has co-chaired with John Abbott since September 2019.

David's support to the school over the past nine years has been exceptional. He has been a great support to me in the two years since I became Headteacher. His rigorous challenge has been very welcome and has certainly helped move Kings Norton Girls' School to the outstanding school it is today. John Abbott will continue as our Chair of Governors. As you are aware just before lockdown we advertised for two new parent governor posts. This process will resume in September 2020, when hopefully we will have our students back in school and the election process can take place.

I'm sure our staff, students and parents and carers would like to join me in my thanks to David for his unwavering dedication and commitment to our school community, and to wish him all the very best for the future.

Kind regards

Mrs Nicola Raggett - Headteacher
