Headteacher Mrs Nicola Raggett GLCM (Hons)

July 2020

Dear Year 11 and Year 13 Students, Parents and Carers

As you will know, A Level and GCSE results are being given out remotely this year, via an email on the 13<sup>th</sup> and 20<sup>th</sup> August respectively. I appreciate that, following receipt of these results, some students may wish to discuss their next steps and seek some careers advice and guidance.

**For Year 13**, the best way to resolve queries with specific providers is to contact them directly. This is best done by you but if you need help with it then you would have to come into school, since I cannot discuss an application with a provider without the applicant present and giving consent. It is best if we can avoid this but if you do need this support please call the school on results day. The other way you can request some advice or guidance is through the online survey that will be emailed along with your results. **Please can I ask all students to complete this, even if they don't need any help.**

**For Year 11**, if your question relates to joining Kings Norton Sixth Form, then we can address these as part of our enrolment process that has already been communicated. If it relates to questions around other providers then the best place to start is always to contact them directly. However, if required, we can offer some support, advice and guidance on results day or in the days following it. There are two ways you can request this support. The first is to indicate you need help via an online survey you will be sent at the same time as your results. **Please can I ask all students to complete this even if they don't need any help.** The other method is to call the school and request a call-back. If you call on 20<sup>th</sup> August please bear in mind that we will be very busy with Sixth Form enrolment and so it might take some time for us to get back to you. Please also bear in mind that 24<sup>th</sup> August is a Bank Holiday and so school will be closed.

I hope you find these offers of support reassuring and would like to wish you a restful and safe summer. Very best wishes for results day, and beyond!

Yours sincerely

Mr T A Charlett

**Assistant Headteacher/ Careers Lead**
