Headteacher Mrs Nicola Raggett GLCM (Hons)

Dear Parent/Carer

The PIPA Trial

We are writing to you about The PIPA Trial which is being conducted by the University of Warwick. Kings Norton Girls' School are collaborating with the research team on this trial which is exploring the effectiveness of an online resource **for parents and carers to help reduce depression and anxiety in young people.**

Families of young people aged 11-15 years at Kings Norton Girls' School are being invited to take part (please note that your name and address details have not been shared with the trial team). Attached/Enclosed is an information sheet which will give you more details of the trial and what your participation would involve. We have also attached an information sheet for your child. These can also be accessed on our website: www.kngs.co.uk/pipa/

If you have any questions about the trial and would like to find out more information, please contact the PIPA trial team using the contact details below. You may also contact your child's Head of Year for more information. For this trial Mr D Gunn is the 'PIPA champion' for Kings Norton Girls' School.

If you are interested in taking part in the trial, please visit <https://ctu.warwick.ac.uk/PIPAmobile/parent-consent> to register. You will then need to enter this code **27619265** to access the database and to provide consent for you and your child to take part.

Many thanks for taking the time to read this letter and we look forward to hearing from you.

David Gunn (Deputy Headteacher) and The PIPA Trial Team
