Teacher of Music (Fixed Term Contract, maternity cover)

Music Department Details :

Kings Norton Girls' School and Sixth Form is a very highly regarded and popular local school. The music faculty sits within our arts faculty which is one of seven faculties in the school.

The Music department presently consists of 2 music teachers, both of whom are specialists. We are also very fortunate to have a large number of visiting peripatetic staff, 11 in total that teach over 100 students every week. Extra-curricular music is highly valued at Kings Norton Girls' School and consequently the successful candidate will be committed to continuing and developing this strength even further.

At Key Stage 3 all students have one hour of classroom music a week. In the Key Stage 3 Scheme of Work pupils are exposed to a wide variety of musical styles and cultures through performing, composing and listening and appraising, whilst at the same time developing their personal learning and thinking skills. Due to the large number of students that have instrumental lessons we also encourage them to use their instruments in classroom music lessons where we feel it would be of benefit to themselves and their peers.

At Key Stage 4 students taking GCSE music follow the Edexcel syllabus which involves the study of eight set works. Post 16 students follow the Eduqas.

The department consists of one main teaching room with 16 keyboards and 5 practice rooms which are heavily used by peripatetic staff and students alike. There are 8 networked computers running Cubase, these are used mainly by GCSE and A-Level students for their compositions although, more recently, we have been introducing year 9 students to the Cubase software.

As a department we are committed to a varied programme of extra-curricular and enrichment opportunities for students. In past years we have been to Birmingham Hippodrome to watch Hairspray and following on from that we put on a very successful production of Hairspray ourselves. Every year there is a Christmas concert which includes a large KS3 choir, a school orchestra (which also comprises students from Kings Norton Boys' School) and a variety of smaller ensembles and soloists. The orchestra and choir have visited Paris to give a series of concerts in Paris and at Euro Disney Resort as part of Euro Disney's young performers programme. We have also travelled to Barcelona, performing three concerts. The orchestra has also worked with BCMG and gave a performance in the CBSO Centre of a piece written especially for them. In the summer term the department hosts musical evenings with the peripatetic teachers so that students can showcase their progress on their instrument/voice. These concerts also allow the various instrumental and vocal ensembles to show the work they have been doing throughout the year.

This post represents a superb opportunity for someone to help move an increasingly forward thinking department towards even greater success, and to make a real difference to the students at Kings Norton Girls' School.

Background and Ethos

The School

Kings Norton Girls' School and Sixth Form is an outstanding 11-18 comprehensive standalone academy with an excellent reputation in the local area and beyond. The School was founded in 1910 and occupies a leafy twenty-three acre site in one of Birmingham's most pleasant residential areas on the south side of the city. It is a very local school, the vast majority of students living within 2 km of the school. This has enabled the development of a strong community feel and neighbourhood links. The school breeds a quiet confidence in its students which together with their enthusiasm for learning and their determination to succeed creates a powerful dynamic for continued improvement.

Our vision and values are central to all we do as staff, students and governors our aim is to: -

'Open a world of opportunities'. Demonstrating respect and courage in order to flourish.

Governors are exceptionally supportive yet provide the necessary challenge to help drive standards even higher. They bring expertise from both education and commerce and play an active part in the life of the school. There are two committees within the governing body, one responsible for curriculum and standards and the other for resources which includes finance, environment and personnel. The Business Manager services the Resources Committee.

Staff well-being is a high priority, as part of this a cash health plan is provided.

Our students

There are presently 1075 students on roll and the staffing establishment is 115, which includes the Headteacher, 75 teachers and 44 support staff. Team working is strong and we pride ourselves in the quality of our relationships and the tangible mutual respect and care which is in evidence across the school which reflects our school values.

The Sixth Form is now full with 275 students across Years 12 and 13. This is due in part to the popularity of the school sixth form and the changing nature of sixth form provision locally. In 2015 we had our first intake of boys into the sixth form; numbers here have increased significantly. This upward trend is something we are determined to continue and we are looking forward to opening a new sixth form block in January 2020. This is a very exciting time for us.

The School is a popular choice and is always well over-subscribed with applications of 890+ for the 160 places in Yr 7 and 400+ for sixth form places. Our catchment this year for year 7 entry is 2.073 km. The School is one of the highest performing schools in Birmingham, and figures nationally amongst the top comprehensives in the country. In 2019, the results at GCSE were outstanding with 87% of grades 4+, 75% 5+, 38% 7+. In 2019 we celebrated our best ever A level results achieving a positive Value Added score and an average grade of a B.

As part of this network the school is involved in developing and delivering on strategies to raise students' achievement and provides significant support for both teaching and support staff.

As strategic partners in two teaching school alliances, one secondary and one primary, we also play a significant part in the local educational landscape and engage widely in CPD.

Professional development is a significant aspect of life at the school and is integrated into the school week. Staff are encouraged to deepen their subject knowledge and professional skills at all stages of their career.
