

KINGS NORTON
SIXTH FORM

Opening a World of Opportunities

WELCOME

When you enter our sixth form you will already have an impressive track record of working hard and gaining the success you deserve. At Kings Norton Sixth Form we will work with you to build on this strong foundation as you study your A Levels and take the next steps towards higher education, employment or training. We have decades of experience in educating students and we firmly believe that our sixth form has never been stronger.

Our guiding principle is to ensure that there are opportunities and support in our sixth form for every one of our students to succeed academically and to thrive personally. Our values of **respect** and **courage** in order to **flourish** lie at the very heart of everything we do and the individual care our sixth form offers will enable you to achieve the highest of aspirations for your future.

N. Ruggell

Headteacher

Opening a World of Opportunities

CURRICULUM PATHWAY

A flexible, personalised package will be discussed to support all students' needs on enrolment and students will be placed on one of three pathways.

Pathway 1: Most students will study 3 A Levels and an enrichment subject, continuing with all 3 subjects to the end of Year 13.

Pathway 2: Students who achieve exceptionally well at GCSE may take 4 A Levels and choose an enrichment option, continuing with all 4 subjects to the end of Year 13. Students beginning with 4 A Levels can drop to 3 A Levels but will not take an AS in the dropped A Level.

Pathway 3: A few students will study 2 A Levels from a given range of subjects and at least one enrichment option. Students will study GCSE English or maths as appropriate where a grade 4 has not been achieved. Students will be expected to continue with all courses to the end of Year 13.

ACADEMIC ENTRY CRITERIA

Pathways 1 & 2: 5 GCSE grade 5 or above (or equivalent), grade 4 GCSE in English and maths. For each proposed course of study the minimum entry criteria for each must be met, this is usually a grade 6 (grade 7 science) in the subject at GCSE or associated subject.

Pathway 3: 5 GCSE grade 4 or above (or equivalent), grade 3 GCSE in English and maths, grade 5 in subjects studied or associated subject.

Detailed subject entry criteria can be found at:
www.kngs.co.uk/sixth-form/admissions/

“KNGS & Sixth Form has a great community ethos and provided me with lots opportunities. Our teachers have high expectations and support us to flourish and fulfil our potential. I am very grateful for the variety of leadership roles and enrichment activities on offer, making our Sixth Form an outstanding place to learn, whilst allowing us to gain valuable life skills.”

Elyn Carreon (Head Student)

“When I joined Kings Norton Sixth Form I was really surprised to see how engaged the students and teachers were. It is an environment in which students are able to feel free to express themselves and embrace their identities. With so many opportunities on offer, it feels so much more than just a place of learning.”

Daniel Hawes (Head Student)

- Music
- PE
- Photography
- Physics
- Politics
- Psychology
- Religious Studies
- Sociology
- Spanish
- Textiles

ENRICHMENT

At the beginning of Year 12, alongside A Level qualifications, all students follow a six week study skills course. This carefully planned programme successfully supports Sixth Form students' study and prepares them for independence at university and apprenticeships.

All students have the opportunity to complete the Extended Project Qualification (EPQ). A range of creative, sporting and leadership opportunities are also available. We have an ethos of 'everyone's involved'.

“EPQ helps students secure the highest grades at A Level. This qualification has boosted students' confidence.” Ofsted, July 2018

RESULTS & DESTINATIONS

Kings Norton Sixth Form students excelled at A Level in 2022 achieving our best ever results, with 49.4% of grades being A* - A and 75.3% A* - B, with an average grade of a B+.

In 2022 our students progressed to high quality destinations. Destinations included Oxbridge, Russell Group universities, an increasing number of apprenticeships, conservatoire, many other top universities and carefully planned gap years.

“Students are attentive and articulate. They want to learn.” Ofsted, July 2019

FACILITIES

This new state of the art building provides our students with the superb accommodation they very much deserve as our sixth form community continues to go from strength to strength.

We are delighted that Kings Norton Sixth Form boasts a new bespoke sixth form building which opened early in 2020. This new purpose built space has six classrooms, a large dedicated study space with IT facilities, sixth form office and a flexible outdoor area.

"I have a young man with ambition, enthusiasm, confidence and determination. Your Sixth Form has made a huge difference to my son's education and life opportunities. Thank you."
