

Parents and Carers: Careers education, information, advice and guidance at KNGS

Careers Vision

The school's vision is to **open a world of opportunities for all**. We want students to be ambitious about their future. Our vision becomes reality when students leave and flourish in high quality further and higher education courses, apprenticeships, employment and technical qualifications.

Careers Programme

All students across Years 7-13 are taught about careers and post-16/18 pathways as part of the Tuesday morning **PSHE programme**. We also have **off-timetable days** for Years 9 and 10 when they spend a whole day researching and thinking about their future. You can find the programme and other useful careers information on our website here: <https://www.kngs.co.uk/curriculum/careers/>

Careers Support

We subscribe to **Unifrog**. This is an excellent, online, one-stop shop for all things careers. Students are shown how to log in and use it at school, in Year 9. Once signed in, they can access it at home on any device. <https://www.unifrog.org/>

Careers Meetings: All Year 11 students have a 1:1 meeting with Mrs Edwards to discuss future plans and supporting actions. Mrs Edwards also meets sixth formers and younger students as required.

UCAS **UCAS and Apprenticeships:** Our Year 12 and 13 students are given comprehensive support in researching and applying for university and apprenticeships.

Careers Opportunities

Students learn about the workplace by taking part in our **Careers Forums**. Year 10 and 12 students complete a week of **work experience**. We often have other opportunities, like **workshops** and **virtual experiences**, made available.

Request for help!

On **16th November** we have our online Careers Forum. We had many volunteers last year and are looking again for anyone who would be able to share an hour of their time to talk and answer questions about their job. If you can **help** please email Mr Charlett. Thank you!

Careers Staff

All staff contribute to careers education but the two main members of staff are:

Mr Tom Charlett, Careers Lead tcharlett@kngs.co.uk

Mrs Katie Edwards, Careers Adviser kedwards@kngs.co.uk
