Dear Parents and Carers

I am writing to address some concerns you may have heard regarding recent incidents involving a small number of our students. Unfortunately, this week there has been a physical altercation in school during social time and another incident in the community.

We want to assure you that we do not tolerate any form of violence in school. We have taken decisive action in response to these events and our Behaviour for Learning Policy has been applied and appropriate sanctions have been issued to those involved.

As always, we kindly ask that you report any concerns directly to the school rather than using social media platforms. This helps us address issues promptly and effectively.

Please be reassured that these unacceptable behaviours are exhibited by a very small number of students and are extremely rare. Kings Norton Girls' School and Sixth Form continues to maintain a calm and very positive environment that revolves around and reflects our core value of respect.

Thank you for your understanding and cooperation.

Yours sincerely

Mrs N Raggett
Headteacher and WMAT CEO
