

18 July 2025

Dear Parents and Carers,

Thank you for your continued support throughout the year. As highlighted in this term's newsletter, our students continue to flourish, making the most of the opportunities available to them - [Newsletter – Kings Norton Girls' School](#)

The partnership between home and school remains key in achieving the very best for our students. This has been evident in the notable improvement in attendance, and we truly appreciate your ongoing support.

Jewellery

Earlier this year, we trialled a change to the wearing of jewellery, permitting necklaces, bracelets, and plastic nose stud retainers. The results have been mixed, and so we will be making the following adjustments from September:

Bracelets: These will no longer be permitted for the following reasons:

- Although we allowed one bracelet, many students have worn multiple, making it difficult to monitor and maintain consistency.
- Several students have lost expensive bracelets, causing significant upset.

Necklaces and Plastic Nose Stud Retainers: Students have responded respectfully to these adjustments, keeping necklaces discreet and removing nose studs for PE. Therefore, these two changes will remain in place.

Uniform Policy

As you update uniform over the summer, please be aware of the uniform policy and especially the expectation for the length of skirts (near to the knee) and type of material (non-Lycra). Thank you for your support.

Summer Safety Reminder

Tragically, each summer there are incidents involving children and water across the country. Today, students received important safety information. We ask that you reinforce these messages at home to help ensure every child enjoys a safe and happy holiday.

We look forward to welcoming your child back on **Wednesday 3rd September**. All students are expected to be in school by **8:25am**.
