RATIONALE

Kings Norton Girls' School recognises that regular school attendance and punctuality is essential for students to flourish socially and academically in order to achieve our vision of 'Opening a world of opportunities' for all.

When attendance is excellent:

- Most students establish and retain strong friendship groups;
- Most students are happy and enjoy school;
- Students' personal development improves and they flourish socially;
- Students flourish academically enabling them to progress to a high-quality college or sixth form, university or apprenticeship place of their choice

The Education Act 1996 requires parents/carers to ensure their children receive efficient, full-time education, either by regular attendance at school or otherwise. The 'otherwise' includes home education.

The Education (Pupil Registration) Regulations make provisions for the necessity of admission registers and attendance registers of pupils as well as the granting of leave of absence for students. Parents/carers may not authorise absence; only the Headteacher or those authorised by the Headteacher can do this.

Monitoring and controlling school attendance are a key part of Kings Norton Girls' School's objectives. We believe that: -

- The responsibility for promoting school attendance is shared by everyone in the school.
- The attendance policy touches all aspects of the school's life, and relates directly to the school's values, ethos and curriculum.

- Good attendance is a safeguarding priority. Poor attendance may be an indicator of safeguarding concerns, unmet needs or barriers to education. Attendance information will therefore be considered alongside safeguarding, wellbeing and inclusion information.
- Rigorous collection and analysis of data about attendance enables the school to check its progress against measurable outcomes.

Students are required by law to attend school until the end of year 11. However, they must then, until the age of 18:

- Stay in full-time education at a school or college.
- Start a recognised apprenticeship or traineeship.
- Spend 20 hours or more a week working or volunteering, while in part-time education or training.

Students who have not reached Grade 4 in GCSE maths and English are obliged to continue their education towards achieving these goals.

PURPOSE

The purpose of the attendance and absence policy is:-

- To encourage students to attend school regularly and punctually and therefore be able to take full advantage of the educational opportunities available.
- To secure attendance at school unless absence is authorised.
- To identify barriers that would explain non-attendance.
- To work with students and parents/carers to overcome barriers to attendance and punctuality.
- To work together with external agencies to support overcoming barriers to improve attendance.
- To work with the Local Authority to support the improvement of attendance.

The school recognises that students are:

- **Persistently absent** where attendance falls below 90%.
- **Severely absent** where attendance falls below 50%.

The school will prioritise support for students whose attendance is at risk of becoming persistently absent and will work collaboratively with families, the Local Authority and external agencies where attendance becomes persistently or severely absent.

PRACTICE

- Students are expected to attend school for 360 sessions, or 190 days during any school year.
- Students should arrive in school by 8:25 am (8:45 am on a Thursday)
- School starts at 8:30 am (8:50 am on a Thursday) after which time they will be marked as late, this will be sanctioned in line with the Behaviour for Learning policy.
- Sixth form students may arrive later on specified days marked with an 'x' code. In this circumstance they must sign in and out of school.
- Registers will be completed in accordance with the School Attendance (Pupil Registration) (England) Regulations 2024 and DfE statutory guidance 'Working Together to Improve School Attendance'. Appropriate attendance and absence codes will be used at all times.
- www.gov.uk/government/publications/working-together-to-improve-school-attendance.

- Registers will be kept open until 9:00am on all days except Thursday when they will close at 9:20am. A student arriving after the register has closed will be marked absent with an appropriate absence code (see Appendix A).
- Attendance records are kept for every class from year 7 to 13 and all non-attendance checked against the daily register that will be taken at the beginning of the morning and afternoon sessions.
- Attendance is reported to parents/carers termly identifying % attendance and days not attended, whether authorised or unauthorised.
- The parents/carers of children who are absent from school, without communication to school, will be contacted on each day of their absence by the Attendance Clerk or for Sixth form students, by the Sixth Form Administrator.
- Safe and well checks will take place by day 6 of an absence whether contact has been with the school or not. For students the school considers to be more vulnerable, and there has been no contact regarding attendance, the safe and well check will take place on the same day.
- School will contact parents/carers if their child is unwell in school.
- Kings Norton Girls' School adopts a support-first approach to attendance. The school will work proactively with students and families to identify and remove barriers to attendance at the earliest opportunity. Formal attendance enforcement will only be considered where support has been offered and has not secured sufficient improvement, or where support is not appropriate.
- Students with attendance between 96 % and 100% will be supported by their Form Tutor who will:
 - Talk to their tutees about the importance of attendance
 - Recognise and praise good attendance
- Welcome back those who have been absent
- Attendance will be monitored regularly to identify emerging patterns of absence. Where attendance begins to decline, the school will work with students and parents/carers at the earliest opportunity to identify barriers and provide support before attendance becomes a significant concern.
- Ensure they are able to remain updated on missed work and homework
- Consider any arising barriers to attendance
- Communicate with parents/carers via letter to explain the importance of attendance and offer support if needed
- Students with attendance between 95% and 90% will be supported by their Head of Year or Head of Sixth Form who will:
 - Meet with students to identify barriers to attendance and work with them, and parents/carers where necessary, through a range of tailored interventions to support improved attendance.
- Students will only be removed from the admission register where the legal grounds prescribed within the School Attendance (Pupil Registration) (England) Regulations are met and after all statutory procedures have been followed.

In Years 7-11, where attendance falls below 90% the local authority [Support First](#) processes are used (appendix B). this process seeks to improve student attendance and act quickly where there is unauthorised absence. **Support First**
The school will follow the 'Support First' Process as set out by Birmingham City Council. See Appendix B.

Five Foundations of Effective Attendance

The school is implementing the BEP Project of Five Foundations of Effective Attendance:

1. Adopt whole school thinking
2. Supportive policies systems and processes
3. Prioritise professional learning and staff development
4. Implement targeted programmes and interventions
5. Connect appropriately to approaches with behaviour management

The Deputy Headteacher (students) is responsible for attendance. They will also liaise with the LA on measures to be taken if a student appears to be missing from education.

Where a student has not returned to school for 10 days after an authorised absence or is absent from school without authorisation for 20 consecutive school days, the student can be removed from the admission register when the school and the LA have failed, after jointly making reasonable enquiries, to establish the whereabouts of the child. The School Board and Headteacher of Kings Norton Girls' School have safeguarding procedures in place which follow DfE statutory guidance to follow up any such absences and will liaise with the LA on measures to be taken if a student appears to be missing from education.

- In Years 12 and 13, where attendance falls below 90%, monitoring and support will be managed via the Head of Sixth Form. In this case, attendance reports will be used.

Reporting absence

All student absences must be notified to the school by telephone (0121 675 1305 Press 1 for Year 7-11 **student** Absence and press 3 for Sixth Form student absence) on the morning of **every** absence, prior to 8:20am. In addition, Sixth Form student absences may be reported to the Sixth Form Administrator.

Medical and dental appointments

Where possible medical or dental appointments should be made outside of school hours. If a student is signed out to attend an appointment during the school day, a 'Students pass' provided by reception on signing out, must be carried by students when out of school during the day.

Proof of appointments must be provided either as a paper copy (this can be handed in to the main school office), or by email to Mrs Twyford, Attendance Clerk dtwyford@knqs.co.uk. Attendance will only be recorded as medical once proof has been provided, otherwise it will be recorded as an unauthorised absence.

Sixth Formers should complete the green form which may be obtained via the Sixth Form office in the Common Room.

Longer term absence

The school appreciates that some students who are very unwell do have extensive amounts of time away from school, these are isolated cases and we work closely with parents/carers and students to support students over time with this.

Any part-time timetable will only be used in exceptional circumstances, will be time limited, regularly reviewed and implemented in accordance with statutory guidance and the school's safeguarding responsibilities. A part-time timetable will not be used as a long-term solution to attendance difficulties.

Students with SEND or Medical Needs

The school recognises that some students face additional barriers to attendance because of special educational needs and disabilities (SEND), physical health conditions or mental health difficulties.

The school will work in partnership with students, parents/carers and relevant professionals to understand barriers to attendance and provide reasonable support and adjustments where appropriate.

Attendance concerns relating to SEND or medical needs will be considered on an individual basis and support plans may be implemented to assist successful attendance and participation in education.

Where mental health difficulties affect attendance, the school will work with students, families and appropriate services to support access to education whilst maintaining the principle that attendance is usually beneficial for a student's wellbeing and educational outcomes.

Students with a social worker

Students with a social worker will receive additional consideration and support where attendance concerns arise. The school will work collaboratively with social workers and other professionals to ensure attendance support forms part of wider safeguarding and welfare planning.

Looked After and Previously Looked After Children

The school recognises the particular vulnerabilities that may affect the attendance of looked after and previously looked after children. Attendance will be monitored closely and appropriate support provided in collaboration with carers, the Virtual School and other professionals where necessary.

Holidays in school time

In line with boundaries set by the Education (Pupil registrations) (England) Regulations 2006, absence can only be authorised by the Headteacher during term time where there are exceptional circumstances. Unauthorised leave during term time may result in enforcement action by Birmingham City Council. This may include a Penalty Notice, prosecution or other legal interventions in accordance with national and local attendance procedures.

Holidays in term time are not permitted.

Religious observation

Parents/carers may request an absence from school for their child on the day of the religious observance, so that families can enjoy celebrations together. The school is unable to sanction leave of absence for longer than is required as we follow the advice of the Local Authority. Parents/carers taking their children out for more than one day will have the absence recorded as unauthorised. Refer to Page 86, Code R of the Department for Education document 'Working together to improve attendance', May 2024.

Other term time absence

A request for term time leave should be completed for all absences for example religious observance, music and dance exams, funerals (this is not an exhaustive list).

ROLES AND RESPONSIBILITIES

The Headteacher and School Leadership Team will

- ensure that the Deputy Headteacher (Students) acts as the school's senior attendance champion and attendance lead, overseeing attendance strategy, intervention and improvement across the school.
- be responsible for the day-to-day leadership and management of the policy and procedures.
- lead by example and be explicit in their expectations.
- track and monitor attendance supporting students, parents and carers in improving a student's attendance, in line with the attendance processes and policy.
- regularly publish to the parents/carers and students and on the website <https://www.kngs.co.uk/school-life/attendance/> arrangements for notifying the school of absences and the school's policy towards authorised absence.
- follow the legal obligation to share the Birmingham City Council's Attendance process with all parents/carers.
- reward good attendance.
- report to the trustees on attendance.

Trustees/School Board will:

- recognise the importance of school attendance and promote attendance across the school's policies and ethos.
- receive and scrutinise attendance information regularly.
- challenge and support leaders to improve attendance outcomes.
- ensure the school fulfils its statutory attendance duties.
- review attendance trends for vulnerable groups and cohorts.

All school staff will:

- be responsible for ensuring that the policy and procedures are followed, understood, regularly revisited, consistently and fairly applied.
- lead by example and be explicit in their expectations.
- advise the Headteacher on the effectiveness of the policy and procedures.
- support the Headteacher and School Leaders/Managers, in creating a high-quality learning environment, actively supporting attendance and good punctuality and identify and address barriers to attendance.
- receive appropriate attendance training and updates to ensure that attendance procedures are implemented consistently and effectively. [\[content.go...livery.com\]](#)

Parents and carers will:

- expect their child to aim for 100% attendance. We appreciate that serious illness and occasional unavoidable medical appointments can require an absence from school however, appointments outside of school hours are preferred where possible.
- encourage their child to attend school unless they are really unwell or infectious,
- contact their child's Form Tutor at the earliest opportunity upon identifying any concerns or barriers affecting attendance or punctuality. Early communication enables the school to provide timely support and implement appropriate interventions to address and overcome these barriers effectively continue to talk to their children about the importance of maintaining excellent attendance and punctuality, even where their attendance is very good.
- contact school by telephone each morning of their child's absence before 8:20am.
- engage in the Support First process and the offer of Early Help should attendance be at risk of falling below 90%

Students will:

- attend school, on time, every day, unless they are very unwell or infectious
- talk to their form tutor if they are concerned about their attendance, attitude to attendance or work missed during an absence.
- catch up on work missed following an absence.
- arrive at all lessons on time when in school.

MONITORING AND REVIEW

The policy and its effective implementation will be monitored and reviewed:

- By the Deputy Headteacher (Students) with members of the Senior Leadership Team.
- The school will fulfil statutory requirements relating to the collection, maintenance and submission of attendance information to the Department for Education and Local Authority where required.
- All staff will contribute to regular review, through their teaching and tutor role, staff briefings and self-review.
- Internally, at least termly, through the self-review process and with the School Board annually.
- Attendance data will be analysed regularly to identify:
 - students at risk of persistent absence;
 - students at risk of severe absence;
 - disadvantaged students;
 - students with SEND;
 - students with a social worker;
 - looked after and previously looked after children;
 - emerging attendance trends requiring intervention.
- The data from attendance will be reviewed:
 - Fortnightly by tutors.
 - Fortnightly through an administrative process to inform Support First processes, informing actions to be taken by Heads of Year for individual students.
 - At least half termly by Heads of Year to identify year group trends and actions to be taken.
 - Sixth Form attendance is monitored half termly by the Head of Sixth form.
- Students will contribute to regular review through the Student Leadership Group.
- Parents and carers will contribute to regular review through surveys.
- The School Board will participate by reviewing reports presented to the Standards and Curriculum Committee at each meeting held throughout the year.
