

KINGS NORTON
SIXTH FORM

Opening a World of Opportunities

WELCOME

By the time you join our Sixth Form, you will already have demonstrated dedication, hard work and academic success. At Kings Norton Sixth Form, we build upon these strong foundations, supporting you as you study your A Levels and prepare for the next stage of your journey.

Our guiding principle is simple: to provide every student with the opportunities, encouragement and support needed to achieve academic success and personal growth. Rooted in strong family values, we offer the care, guidance and support that we would want for our own families, ensuring that every student feels valued and empowered to succeed.

Our values of courage and respect are at the heart of everything we do, enabling our students to flourish as individuals and members of a wider community. Through high-quality teaching, excellent pastoral care and a wide range of enrichment opportunities, we help students develop the confidence, independence and character needed to embrace the challenges and opportunities of the future.

We ensure every student is equipped to pursue their highest aspirations and embrace the opportunities ahead.

Laura Sullivan
Headteacher

Opening a World of Opportunities

CURRICULUM PATHWAY

A flexible, personalised package will be discussed to support all students' needs on enrolment and students will be placed on one of three pathways.

Pathway 1: Most students will study 3 A Levels and an enrichment subject, continuing with all 3 subjects to the end of Year 13.

Pathway 2: Students who achieve exceptionally well at GCSE may take 4 A Levels and choose an enrichment option, continuing with all 4 subjects to the end of Year 13. Students beginning with 4 A Levels can drop to 3 A Levels but will not take an AS in the dropped A Level.

Pathway 3: A few students will study 2 A Levels from a given range of subjects and at least one enrichment option. Students will study GCSE English or maths as appropriate where a grade 4 has not been achieved. Students will be expected to continue with all courses to the end of Year 13.

ACADEMIC ENTRY GUIDANCE

Pathways 1 & 2: 5 GCSE grade 5 or above (or equivalent), grade 4 GCSE in English and maths. For each proposed course of study the minimum entry guidance for each must be met, this is usually a grade 6 (grade 7 science) in the subject at GCSE or associated subject.

Pathway 3: 5 GCSE grade 4 or above (or equivalent), grade 3 GCSE in English and maths, grade 5 in subjects studied or associated subject.

Detailed subject entry guidance can be found at:
www.kngs.co.uk/sixth-form/admissions/

| • Chemistry | • French | • Media Studies | • Sociology |
| • Computer Science | • Further Maths | • Music | • Spanish |
| • Drama & Theatre Studies | | • PE | • Textiles |
| | | • Physics | |

ENRICHMENT

At the beginning of Year 12, alongside A Level qualifications, all students follow a six week study skills course. This carefully planned programme successfully supports Sixth Form students' study and prepares them for independence at university and apprenticeships.

All students have the opportunity to complete the Extended Project Qualification (EPQ). A range of creative, sporting and leadership opportunities are also available, alongside a range of educational visits in the UK and abroad. We have an ethos of 'everyone's involved'.

"The school has given considerable focus to the curriculum in the Sixth Form." Ofsted 2025

RESULTS & DESTINATIONS

Kings Norton Sixth Form students excelled at A Level in 2026 achieving impressive results, with 26.2% at grade A*- A and 59.6% at grade A* - B, with an average grade of B-.

In 2026 our students progressed to high quality destinations. Destinations included Oxbridge, Russell Group universities, an increasing number of high quality apprenticeships, many other top universities and carefully planned gap years.

"The expectations for pupils learning are consistently high across the school." Ofsted 2025

FACILITIES

This state of the art building provides our students with the superb accommodation they very much deserve as our sixth form community continues to go from strength to strength.

We are delighted that Kings Norton Sixth Form boasts a bespoke sixth form building which opened early in 2020. This purpose built space has six classrooms, a large dedicated study space with IT facilities, sixth form office and a flexible outdoor area.

"I have a young man with ambition, enthusiasm, confidence and determination. Your Sixth Form has made a huge difference to my son's education and life opportunities. Thank you."
